THE INDIAN PHARMACEUTICAL ASSOCIATION (IPA)

Indian Pharmaceutical Association (IPA) is the premier professional association of pharmacists in India, with a member base of over 10,000, spread across the length & breadth of the nation. IPA operates in India through 17 state branches & more than 33 local branches. The members represent various facets of pharmaceutical profession viz. Industry, regulatory, community pharmacy, hospital pharmacy & education. IPA is also actively associated in managing several academic programmes. As member of Drug Technical Advisory Board, India IPA is actively involved in advising the government on matters of professional importance. IPA is affiliated with International Pharmaceutical Associations like FIP, FAPA, CPA, AAPS, AAIPS, IPSF & WHO, for carrying out various collaborative professional activities which include organizing training programmes for professionals from industry, academics, regulatory & practice, making representations to the authorities on matters of professional interest & working towards constantly upgrading the standards of professional services offered by the pharmacists.

MISSION

The Indian Pharmaceutical Association (IPA) is the national professional body of pharmacists engaged in various facets of the profession of pharmacy. The IPA is committed to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacists as competent healthcare professionals, sensitize the community, government and others on vital professional issues and support pharmaceutical education and sciences in all aspects.

OBJECTIVE

- To promote the sciences and arts of Pharmacy in all aspects.
- To impart suitable education and training to the members preparing for the profession of pharmacy or to those already engaged in the profession.
- To undertake, carry on or promote scientific and technical research, experiments and tests of all kinds in pharmaceutical and allied sciences.
- To edit and publish, journals, books, magazines, documents and other publications for promoting the causes of the profession of Pharmacy.

THE INDIAN PHARMACEUTICAL ASSOCIATION (IPA)

Indian Pharmaceutical Association (IPA) is the premier professional association of pharmacists in India, with a member base of over 10,000, spread across the length & breadth of the nation. IPA operates in India through 17 state branches & more than 33 local branches. The members represent various facets of pharmaceutical profession viz. Industry, regulatory, community pharmacy, hospital pharmacy & education. IPA is also actively associated in managing several academic programmes. As member of Drug Technical Advisory Board, India IPA is actively involved in advising the government on matters of professional importance. IPA is affiliated with International Pharmaceutical Associations like FIP, FAPA, CPA, AAPS, AAIPS, IPSF & WHO, for carrying out various collaborative professional activities which include organizing training programmes for professionals from industry, academics, regulatory & practice, making representations to the authorities on matters of professional interest & working towards constantly upgrading the standards of professional services offered by the pharmacists.

MISSION

The Indian Pharmaceutical Association (IPA) is the national professional body of pharmacists engaged in various facets of the profession of pharmacy. The IPA is committed to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacists as competent healthcare professionals, sensitize the community, government and others on vital professional issues and support pharmaceutical education and sciences in all aspects.

OBJECTIVE

- To promote the sciences and arts of Pharmacy in all aspects.
- To impart suitable education and training to the members preparing for the profession of pharmacy or to those already engaged in the profession.
- To undertake, carry on or promote scientific and technical research, experiments and tests of all kinds in pharmaceutical and allied sciences.
- To edit and publish, journals, books, magazines, documents and other publications for promoting the causes of the profession of Pharmacy.

THE INDIAN PHARMACEUTICAL ASSOCIATION (IPA)

Indian Pharmaceutical Association (IPA) is the premier professional association of pharmacists in India, with a member base of over 10,000, spread across the length & breadth of the nation. IPA operates in India through 17 state branches & more than 33 local branches. The members represent various facets of pharmaceutical profession viz. Industry, regulatory, community pharmacy, hospital pharmacy & education. IPA is also actively associated in managing several academic programmes. As member of Drug Technical Advisory Board, India IPA is actively involved in advising the government on matters of professional importance. IPA is affiliated with International Pharmaceutical Associations like FIP, FAPA, CPA, AAPS, AAIPS, IPSF & WHO, for carrying out various collaborative professional activities which include organizing training programmes for professionals from industry, academics, regulatory & practice, making representations to the authorities on matters of professional interest & working towards constantly upgrading the standards of professional services offered by the pharmacists.

MISSION

The Indian Pharmaceutical Association (IPA) is the national professional body of pharmacists engaged in various facets of the profession of pharmacy. The IPA is committed to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacists as competent healthcare professionals, sensitize the community, government and others on vital professional issues and support pharmaceutical education and sciences in all aspects.

OBJECTIVE

- To promote the sciences and arts of Pharmacy in all aspects.
- To impart suitable education and training to the members preparing for the profession of pharmacy or to those already engaged in the profession.
- To undertake, carry on or promote scientific and technical research, experiments and tests of all kinds in pharmaceutical and allied sciences.
- To edit and publish, journals, books, magazines, documents and other publications for promoting the causes of the profession of Pharmacy.
