Description of Classrooms and Seminar Hall

The college has more than desired infrastructure for engaging students in their academic pursuits. It has spacious and sufficient number of lecture halls as per the norm of apex bodies like PCI, AICTE. They are equipped with LCD projectors, audio-visual faculty with dedicated PC and internet connection.

Class room size –

Area of each classroom is 75 m². Each classroom can accommodate 72 students comfortably.

Class room design and quality of acoustics –

The classrooms have unique octagonal design. They are designed in such a manner so that student to teacher distance is minimized to get an unhindered view of the faculty and teaching aids from all sides.

Classrooms are separated from noise generating activities inside or outside the building. The student to teacher distance is minimal due to unique design of the classroom. Also, design enhances the effectiveness of the learning conditions like speech intelligibility and reverberation times are enhanced.

Conditions of chairs/benches –

The benches with desks are adequate and maintained in good condition to accommodate a class of 72 students.

Air circulation/ventilation –

Classrooms are well ventilated, airy, and spacious and are fitted with sufficient fans.

There are enough windows for each classroom fitted with curtains.

Lighting/illumination-

The classroom has sufficient windows for natural light.

There are sufficient tube lights in each classroom.

Exit points-

Each classroom has two doors. The classroom complex has two emergency exits which are easily accessible.
