vmedulife Platform - Learning Modules

### Basics of Communication

Index

- 1. What is learning
- 2. Problems faced
- 3. How to Communicate better
- 4. What helps you communicate effectively?
- 5. Some basic tips
- 6. Communicate and Connect
- 7. Certification

#### About this course

Communication is the lifeblood of any organization. Whether it's setting simple objectives at work, solving out a tricky problem with a supervisor, fixing nagging issues, working out a better way to meet productivity targets, linking your team on customer feedback after a product launch, or an O2O, getting your employees to buy into your company's vision - communication is the pivot of any business venture. From team up to good cooperation.
