## Report of Tree Plantation

In today's scenario there are lots of disasters occurring in the environment due to lack of required number of trees. Trees offer lots of advantages to human beings and are the only source of natural oxygen supply. By looking into all the parameters the Government of Maharashtra had decided to plant trees around 33cr in stipulated period of five years. In respect of this, they had appealed to colleges to plant trees in the available premises or in the adopted village. Considering this the college NSS unit has planted the varieties of trees in the college premises as well as in adopted village through NSS volunteers. We had the Tree plantation drive on 1<sup>st</sup> July 2019 in our college in respect for the achievement of government's target. Total 94 students had participated in this activity. The students created awareness in the society, vicinity of the college and in adopted village about the importance of tree plantation and this appealed the people to have tree plantation as much as they can.

## Report of Celebration of Ecofriendly Ganapati Festival

Ganapati Festival is one of the most important festival celebrated in India. As it has originated from Maharashtra and that to Pune it is celebrated in most of the homes, public places as well as in colleges. We have celebrated the ecofriendly Ganapati Festival between 25<sup>th</sup> August to 5<sup>th</sup> September 2017 at the college campus in coordination with Pimpri Chinchwad Municipal Corporation, Pune. This year we have worshipped the Ganapati idol prepared from ecofriendly materials. During the 7 days happy and festive atmosphere was seen in the college. In the morning and evening prayers were offered and hymns were sung. Before Ganapati festival starts we had an awareness campaign about celebration of ecofriendly Ganapati festival in the area of Kalewadi in MM Chowk and Tapkir Chowk. After the celebration of Ganapati festival on Anant Chaturthi the idol immersion was done in the drum full of water in the college itself. The faculty, staff and 253 students were present for the same. All participated this activity with lots of enthusiasm.

## Extension Activity Reports 2016 - 17

### Report of Tree Plantation

There are lots of disasters occurring in the environment due to lack of required number of trees. Trees offer lots of advantages to the human beings and the most important advantage is oxygen supply. By looking into all the parameters the government of Maharashtra has decided to plant 1cr trees in stipulated period of five years. In respect to this they have appealed to colleges to plant the trees in the available premises or in the adopted village. In line with this the college NSS unit has planted variety of trees in the college premises as well as in adopted village through NSS volunteers. We had the Tree plantation drive on 1<sup>st</sup> July 2016 in our college. Total 235 students have participated in this activity very enthusiastically. The students spread awareness in the society, nearby college area and in adopted village about the importance of tree plantation and appealed to the people to have tree plantation as much as they can.

## Report of Maha Netra Dan Abhiyan

This beautiful world is seen with eyes only. The people who don't have eyes suffer a lot in their daily routine life as well as are humiliated in the society. The inferiority complex may be there in such people. Such people may get their sight back if the eyes are replaced by eye having sight. In this respect eye donation awareness is very helpful in their life. We organized the eye donation awareness campaign on 4<sup>th</sup> January 2017. On this occasion awareness about eye donation was done to the students. All the participants were very happy to take part in this activity. Total 235 students took part in this activity. Some of the students also filled the form of donation consent of eye.

## Report of Pulse Polio Vaccination Report

Polio infection often makes the children physically disabled due to inability of walking using legs. To eradicate polio from the country every year pulse polio vaccination drive is conducted. On this specific day vaccination of children below five years is done. Remaining childrens who has not come to booth are vaccinated by conducting home to home survey. Our students had participated in the Pulse Polio Vaccination drive between 29<sup>th</sup> January to 2<sup>nd</sup> February 2017. The Vaccination Drive was carried out by Jijamata Hospital, Kalewadi, PCMC, Pimpri. The students were given the kit of vaccination and asked to be present on respective booth at 7.00 am in the groups. The volunteers vaccinated the childrens coming at booth till 5.00 pm and after that up to five days in the morning they visited around 180 houses. They made survey regarding any child is remained from vaccination and if they get any one immediately vaccinated the child. The volunteers enjoyed and get satisfaction with this service to the nation. After completion of this work students were offered the certificates by PCMC, Pune. Total 30 students took part in the drive and worked enthusiastically.

## Report of Rasta Suraksha Abhiyan

In today's scenario most of the persons have two wheelers and four wheelers. Most of the people use these vehicles for their purpose of business or services. On road the safety of all these people has become a serious issue. In respect to this our college has celebrated Rasta Suraksha Abhiyan on 18<sup>th</sup> December 2015. In this activity we have created awareness regarding road safety to the people in Kalewadi area. In the Tapkir Chowk and MM Chowk posters were displayed to the people at the traffic signals. They were suggested safety measures by means of posters to use Helmets all the time. It was a very overwhelming activity and the 235 students participated in this very enthusiastically.
