Report on Organ Donation Awareness

All parts of body are important for human life including vital organs having immortal importance. Nowadays if any organ of the body gets damaged, it can be replaced by another by undergoing surgery. In respect of this, organ donation to these needy patients has become a very good initiation to save lives. For creating awareness of organ donation a campaign was organized by the college in association with Zonal Transplant Coordination Centre, Pune. Mr. Vitthal Shinde, Member, ZTCC, Pune delivered the lecture on information about the process of organs transplant, how the green corridors are prepared, how the organs are transferred within very less time from one place to another. The session was held between 11.00 am to 1.00 pm on 20th September 2019. Total 286 students of UG and PG took part in the programme. It was effectively organized and was appreciated by the guest. All the students attended it very enthusiastically and interestingly. Some students and faculty even signed the forms for organ donation during this session.

Report on Organ Donation Awareness

All parts of body are important for human life including vital organs having immortal importance. Nowadays if any organ of the body gets damaged, it can be replaced by another by undergoing surgery. In respect of this, organ donation to these needy patients has become a very good initiation to save lives. For creating awareness of organ donation a campaign was organized by the college in association with Zonal Transplant Coordination Centre, Pune. Mr. Vitthal Shinde, Member, ZTCC, Pune delivered the lecture on information about the process of organs transplant, how the green corridors are prepared, how the organs are transferred within very less time from one place to another. The session was held between 11.00 am to 1.00 pm on 20th September 2019. Total 286 students of UG and PG took part in the Programme. It was effectively organized and was appreciated by the guest. All the students attended it very enthusiastically and interestingly. Some students and faculty even signed the forms for organ donation during this session.
