Hi,

It is my pleasure to introduce Rubicon; Rubicon was inceptioned with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing, their curiosity and intrinsic motivation for learning.

Rubicon's "Connect with Work" Program, supported by Barclays aims at improving the employability skills of the youth. Under this program students will be trained by Corporate Trainers to enhance their Soft skills which would help them significantly to increase their chance of succeeding in a job interview. This Program is being launched with limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiative:

Industry visit of students to Barclays office in Pune where the students will interact with employees of Barclays and can get their queries answered on career options and career growth as well as the latest trends in the industry. It will be a two hour session.

In the Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interview.

Note: We would like to clarify that neither the student nor the college is required to pay anything for this program.

Please reply as early as possible, and send the list of students as well(one batch of 15 students). Please feel free to revert for any more details.

To Carry Government Id is mandatory for the visit.
