

YEARLY STATUS REPORT - 2023-2024

Part A

Data of the Institution

1.Name of the Institution		Marathwada Mitra Mandal's College of Pharmacy, Thergaon, Pune - 411033 (MS)
• Name of the Head of the institution		Dr. Manohar J. Patil
• Designation		Principal
• Does the institution function from its own campus?		Yes
• Phone no./Alternate phone no.		8446060841
• Mobile no		9423239325
• Registered e-mail		mmcopharm@yahoo.co.in
• Alternate e-mail		drmanoharpatil@yahoo.com
• Address		Sr. No. 4/17, Sector No. 34, PCNTDA, Thergaon, Pune-411033
• City/Town		Pune
• State/UT		Maharashtra
• Pin Code		411033
2.Institutional status		
• Affiliated /Constituent		Affiliated
• Type of Institution		Co-education
• Location		Urban

• Financial Status	Self-financing				
• Name of the Affiliating University	Savitribai Phule Pune University, Pune				
• Name of the IQAC Coordinator	Dr. Prasad V. Kadam				
• Phone No.	8446060841				
• Alternate phone No.	8446060841				
• Mobile	9850219875				
• IQAC e-mail address	iqac@mmcop.edu.in				
• Alternate Email address	prasad.kadam@mmcop.edu.in				
3.Website address (Web link of the AQAR (Previous Academic Year)	https://mmcop.edu.in/aqar/				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://mmcop.edu.in/academic-calender/				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A+	3.26	2022	03/05/2022	02/05/2027
6.Date of Establishment of IQAC			31/08/2017		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	
Pharmacy	Research Promotion Scheme	All India Council for Technical Education, New Delhi	2022	2116666	
8.Whether composition of IQAC as per latest NAAC guidelines			Yes		

<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File	
9.No. of IQAC meetings held during the year	02	
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded	
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> • If yes, mention the amount 		
11.Significant contributions made by IQAC during the current year (maximum five bullets)		
<p>? Ranked in NIRF India Ranking 2024 rank band (101 to125) (MHRD Govt. of India). ? Team 'Millet Spector' selected from 55K teams all over India at Grand Finale - Smart India Hackathon 2023 Hardware edition at MIT, Pune ? YUKTI 2.0, Two teams shortlisted for finale and One Sanctioned with Startup Funding of Rs. 3.0 Lakhs ? Start-up 'MedFassst' Registered and Pre-incubated at MMCOP. ? Increase in Sanction Intake for B. Pharm from 60 to 100</p>		
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year		
Empty space for plan and outcome		

Plan of Action	Achievements/Outcomes
Expansion of Courses / Programmes	Increase in Sanction Intake for B. Pharm from 60 to 100
Promote Strengthening of Industry Institute Connect	Signed MoUs with Tata Consultancy Services Ltd.Pune, BVG India Ltd. Pune, Medcover KLE Hospitals Pvt. Ltd. Pune, Bharati Vidyapeeth Poona College of Pharmacy, Pune, PDEA'S College of Ayurved and Research Centre, Pune, District Election Office Pune, Worship Earth Foundation, Pune, Maharashtra, Recently College received equipments like Dissolution test apparatus, Tray Dryer, Planetary Mixer etc. and Official Books from Centaur and Emcure Pharmaceuticals as Gifts
Promote Strengthening of Centre for Invention, Innovation and Incubation	? Team 'Millet Spector' selected from 55K teams all over India at Grand Finale - Smart India Hackathon 2023 Hardware edition at MIT, Pune ? YUKTI 2.0, Two teams shortlisted for finale and One Sanctioned with Startup Funding of Rs. 3.0 Lakhs ? Start-up 'MedFasst' Registered and Pre-incubated at MMCOP.
Initiate the Process of International collaboration	? Under MOU with University of Witwatersrand, Johannesburg, RSA, Knee simulator research work is initiated ? Joint Publications and Faculty lectures were conducted with University of Illinois at Chicago (UIC), Rockford, IL, USA
Continue the participation in NIRF India Ranking	Ranked in NIRF India Ranking 2024 rank band (101 to125) (MHRD Govt. of India).
13.Whether the AQAR was placed before	Yes

statutory body?	
<ul style="list-style-type: none"> Name of the statutory body 	
Name	Date of meeting(s)
Governing Body	15/10/2024
14. Whether institutional data submitted to AISHE	
Year	Date of Submission
2022-23	13/01/2024
15. Multidisciplinary / interdisciplinary	
<p>Pharmaceutical Science is an applied science. MMCOP faculty plans their academic sessions such that they can amalgamate information and knowledge from different disciplines and disseminate it to students in the form of applications in Pharmaceutical sciences. Students are educated in the principals, techniques and skills of engineering, life sciences, biotechnology, chemistry, material sciences, computers, AI and their applications in Pharmaceutical sciences. It is important for the institute to make the student imbibe these multidisciplinary principals to develop a quality workforce for pharmaceutical industry. In the similar way, students are trained for interdisciplinary principals, techniques and skills like medicinal chemistry and pharmacology, Material science and its applications, formulation and pharmacokinetics, inorganic chemistry and anatomy/physiology, formulations and pharmacology/toxicology, synthetic chemistry and molecular docking/modeling, engineering design and medical devices etc. This type of theoretical and practical knowledge leads to a "whole" or "comprehensive" development of the student in the pharmaceutical science domain. The multi and interdisciplinary practical training and internships for the students helps them to develop desired skills needed toward a solution to the problem attitude much desired for the Industry. Thus, MMCOP tries to provide 360 degree academic and hands-on Multidisciplinary / interdisciplinary experience to the students.</p>	
16. Academic bank of credits (ABC):	
<p>Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), where the students' academic data are stored. Academic Bank of Credits (ABC) is a digital depot for the information of the credits earned by individual students</p>	

throughout their learning journey. It will give students multiple options for entering and leaving colleges or universities. The students will be able to drop out of their institute from any year/semester and exchange the credits earned so far with a certificate/diploma if eligible. They will also be able to redeem the credits and rejoin the same institute or some other institute of his/her choice at the same time or some other time in future and continue from the year/semester his education is pending from. Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records are administered by academic institutions via the NAD Platform. The ABC regulations will encourage a blended learning mode in which students will be allowed to earn credits from various HEIs registered under this scheme and through SWAYAM. Under this scheme, the student can secure up to 50 per cent credits from outside their college or university.

17.Skill development:

Education is the key to human resource development and a vehicle for economic growth of a country. It should be supported with skill development through training during education process. Despite of constraints in curriculum and time, MMCOP offers basket of skill development courses to the students for the overall development as a competent pharmacist and pharmacy professionals. Capacity building programs, that include systematic approach of knowledge and skills development, helps students to up skill so that they can get most out of curriculum prescribed. It ensures an organization has the internal expertise to effectively implement change and improve performance. MMCOP's capacity building programs includes Soft Skills and Employability Skills Development Program by Rubicon Skill Development Pvt. Ltd.; pre-placement online modules like Verbal Reasoning, Aptitude Test & Logical Reasoning; Language and Communication Skills; Use of Language laboratory enabled with software's to conduct of Communication skills practical modules; Life Skills, Yoga Day Celebration & Meditation program; ICT/Computing Skills; Use of experimental software such Design-Expert, Mini-Tab, Graph Pad-In Stat, Kinetica, Simulation etc. and Entrepreneurship Awareness Camp in collaboration with DST-NIMAT. MMCOP has its Pre-incubation facility 'Prayas' that helps students enhance their entrepreneur skills and support them with their Start-up efforts.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

MMCOP practices integration between education and culture by regular execution of NSS activities in adopted villages in Marathi language. MMCOP also organizes cultural gathering - Rangtarang, Sports (like kabaddi and kho-kho), Cultural Week and Traditional Day where Unity in Diversity is clearly reflected. College practices the celebration of Guru Purnima, Marathi Bhasha Gaurav Din, Constitution Day and other National Festivals to preserve the tradition of India and impart cultural / nationalism values in students. Vachan Prerna Din is observed where books of various languages are exhibited and softcopies of books are shared in local languages. To preserve Indian ancient traditional knowledge the Pharmacognosy Department is involved in research, publications, presentations and patenting of work done in Traditional System of Medicines. As a part of curriculum Indian Constitution is introduced by University and Institute has implemented it. Online platforms like SWAYAM, DIKSHA are available to teachers & students with structured, user-friendly tools. Some of our faculty members have fluency in other Indian languages like Marathi, Haryanavi, Bengali etc. The college utilizes this human resource to fullest.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

MMCOP has mentoring and feedback systems in place for early identification of learning abilities of the students that ultimately helps bridging the learning gap and promotes continuous improvement in students by dedicated efforts by the faculty. Effective curriculum delivery methods, use of modern ICT tools, efficient use of teaching pedagogy, execution of add on/value added courses, are some major initiatives taken for OBE resulting into remarkable CO-PO attainment and students' academic improvement. The curriculum enrichment is achieved through experiential learning where maximum students participate in project work, field work, Industrial visits, participation in college, inter college, state and national level competitions (NPW, Avishkar, Yukti, SIH) etc. The other activities like guest lectures, training sessions, seminars, workshops are regularly organized to inculcate research attitude and keep them well-informed with latest industrial developments. Students undergo one month 'Industrial training' to understand corporate environment. The dissertation work of M. Pharm students is totally based on problem solving methodology. The college encourages add-on courses on advanced technologies and applications. Various software and E-learning resources promote self-directed problem solving learning in students. Thus comprehensive Learning outcome-based curriculum framework (LOCF) helps students to make a choice regarding courses they wish to study as per NEP-2020 mandate.

20.Distance education/online education:

At MMCOP, all faculty members are provided with personal computer with internet, they use LMS (learning management system) as asynchronous mode of teaching. Various online platforms such as academic ERP, G Suite are used for sharing of contents. Online tests are regularly conducted for students as a means of continuous assessment through these ERPs. The entire campus is Wi-Fi enabled with internet connectivity that encourages blended learning. College has well augmented integrated E-learning center. MMCOP classrooms are equipped with Smart boards, computers, and multimedia system for classroom as well as online learning. Students and faculty members have access to e-journal and e-books. College has electronic resource like OPAC, DELNET, and E-ShodhSindhu. Exclusive WebEx facility is available for conducting video conferencing and online meetings. VM-Edulife ILMS allows sharing of e-resources for remote access to students, faculty and non-teaching. It is also used for data entry of library resources and same resources are available for remote access to students through their VM-Edulife account. Post-pandemic, the practice is adopted by the faculty and students to full advantage of flexible blended mode of teaching learning. Students are encouraged to participate in NPTEL courses and the credits are deposited to their ABC through College.

CURRICULAR ASPECTS		

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Being affiliated college to Savitribai Phule Pune University, Pune the college follows the curriculum and syllabus prescribed by University and Pharmacy Council of India. The Curriculum Planning and Delivery at the college adopts the following

Academic Planning

- Academic calendar is prepared by calculating number of days and considering the university commencement dates, holidays, Examinations etc.
- Workload distribution is done by collective wisdom of all HoDs and the academic committee prepares timetable which is approved by the principal.
- Faculty members prepares lecture plan and course material well in advance which is approved by the HODs.

Academic Implementation

- Teaching, learning and monitoring progress are carried out in a synchronized mode with ICT teaching aids and Academic ERP.
- Academic progress is regularly appraised by Academic monitoring committee.
- Feedbacks are conducted to evaluate the teaching learning process.
- Learning Outcomes are mapped with Course Outcomes for understanding the outcome attainment levels.

Bridging the Gap

- Content beyond syllabus are identified to bridge the gap between and within subjects.
- For slow and advanced learners, tutorials, add-on/value added courses are planned and executed.

Faculty Development

- Industry visits, regular FDPs, faculty participation in research competitions and conferences and annual NPTEL certificate course helps faculty to match the current knowledge.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar is prepared by Academic monitoring committee (AMC) on the basis of commencement terms and working days provided by University and Admission Regulatory Authority. IQAC. AMC, Programme Monitoring Committee and examination committee also plays an important role in the CIE. Academic calendar consists of proposed dates of following activities

Academic activities:

- Commencement of academic term
- Nos. of Working Days
- Add on/Value added courses.
- Winter and summer vacations
- Parent-teachers meet.
- Term end Dates

Examinations:

- In-continuous assessments- MCQ, OBT, Term Papers, Posters etc.
- Online tests are conducted by using Academic ERP. For Offline examinations, assessed answer scripts are distributed and doubts are cleared.
- Internal and University examinations schedules

Co-curricular & Extracurricular Activities: NPW, Sports cultural activities etc.

Extension & Outreach Activities: NSS activities etc.

Faculty Development Programme: Conferences/Seminars/Workshops organizations etc.

Academic calendar is disseminated among stakeholders through college website and notice board. All results and reports are circulated among students through academic ERP. All activities listed in the academic calendar are monitored by the AMC. The faculty meetings are

conducted on regular intervals to review adherence to activities mentioned in academic calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The college has inculcated Professional Ethics, Gender equality Human values and sustainable development of the students for the benefit of human beings. These issues are highlighted through curriculum and other activities as given below

Professional Ethics:-

- Communication Skills and Soft Skill Development (F. Y. B. Pharm) develops the skills such as writing, speaking along with soft skills
- Environmental Sciences (F. Y. B. Pharm) covers environmental issues and Pharmaceutical Jurisprudence (Third Year B. Pharm) educates laws obeyed.
- Drug Regulatory Affairs (F. Y. M. Pharm) and Research

Methodology (S. Y. M. Pharm) study offers regulatory aspects in pharmaceutical industry and research required for societal benefit.

- WHO days are observed for disease awareness and measures taken.
- The Code of Conduct is followed by faculty, staff and students.
- The professional ethics are inculcated through Training, Research, Curricular, Extracurricular and Extension activities.

Gender Issues:-

- Equal opportunity for students in Sports, Cultural, NSS activities and etc. their representation in respective committees of college.

Human Values:-

- Human values are inculcated in students through various subjects in both courses.

Environment and Sustainability:-

- Green Campus certificate and Green Army membership is continued, e-waste is collected and supplied to vendor.
- Medicinal Garden and Vermicomposting plant is well maintained

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

At MMCOP every possible measure are taken to assess the learning levels of students.

Identification of learning levels:

- Entry level marks- CET/GPAT/B. Pharm scores are prime means.
- Mock test / online tests helps teachers to identify learning level of students.
- Daily assessment, mentoring, in continuous assessments, internal examination performance, attitude of participation in various academic activities.

Slow Learners Response

- Counselling and Mentoring sessions
- Planning of tutorials.
- Exposed to peer group learning and group discussions.
- Extended library hours for conducive learning environment.
- Study material provided for quick reference.
- Answer writing tips
- Organization of Parent Teacher Meetings

Advanced Learners Response

- Participation in poster presentation, seminars, quiz competition and industrial exhibition for cross disciplinary exposure.
- Felicitation of meritorious students
- Participation in Avishkar, IIC, Yukti, Hackathon, Projects Competition, at the University, State and National level to enhance their research ability which has led to Publications and Presentations.
- Counselling for higher education or career options.
- Encouraged for competitive examinations viz. GPAT, IELTS etc

Generalised Response

- Add-on courses to enhance learning abilities and increase employability.
- Guest lectures, motivational talks and trainings planned.
- Interaction with alumni Industry-institute interaction arranged to enhance learning competency.
- Co-curricular activities conducted to complement the curriculum.
- Encouraged to use ICT solutions.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

"I hear-I forget, I see-I remember and I do-I understand" Taking this into consideration, College has adopted advanced and active learning methods. Following are main students centric teaching and learning methods at MMCOP.

Experiential learning:

- Activities like, seminars/ term papers/ posters on course topics, peer teaching practices, assignments, industrial and hospital visits are organized for industrial exposure.
- Research projects are carried out in collaboration with the industry.

Participative learning:

- Continuous assessment - Group assignments, Student presentations, group discussions, Posters etc.
- NSS activities - Blood donation camps, Pulse polio vaccination, health checkups, Organization Sensitization programs towards social issues etc.
- Participation in group projects, workshops and scientific activities like Avishkar, IIC, intercollegiate research project competitions, National Pharmacy Week (NPW) competitions.

Problem solving methodologies:

- Problem solving methodologies like Trial and Error methods, breaking large task into small steps, creating short goals to achieve the end, etc. are used
- Experiments in journals stimulate problem solving ability in practicals.
- Dissertation work is based on problem solving methodology or needs of healthcare systems.
- In college competitions like 'Kalpana hackethon' for problem statement and solution from UG and PG students.
- Softwares and E-learning resources to promote self-directed problem solving learning.
- Practice sessions like aptitude tests mock interviews etc.

File Description	Documents
Upload any additional information	View File
Link for additional information	Nil

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

College uses Information and Communication Technologies (ICT) for various purposes including teaching and learning in addition to chalk & talk approach

- Faculty member use LMS (learning management system) as asynchronous mode of teaching.
- Faculty members prepare PPTs of lecture and other materials like relevant videos and animations, etc. for best learning environment for the students.
- MMCOP uses various online platforms such as academic ERP, G Suite application for sharing of lecture contents.
- Online MCQ test and descriptive test are regularly conducted for students in college as a means of continuous assessment of the students.
- The entire campus is Wi-Fi enabled with internet connectivity that encourages blended learning
- College has established integrated e learning center.
- Dedicated language laboratory facility is created for all students.
- MMCOP classrooms are equipped with interactive panel, digital signage boards, LCD projectors, computers, multimedia system

and lecture capturing system for interactive learning.

- Faculty members use software such as, Design- Expert, Mini-Tab, Graph-Pad, and Kinetica for enhanced understanding of subject.
- College has established experimental software laboratory for postgraduate student.
- Laboratories are provided with LCD projector presenting experiment.
- Digital library facility is available for student and faculty. All students and faculty members can access e-journal e-books.
- The college has electronic resource like OPAC, DELNET.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college ensures effective time management and timeliness by adherence to academic calendar for internal assessments and

University examination schedule. Following which, every subject teacher ensures timely delivery of syllabus keeping the upcoming continuous evaluation in mind. The timeline created allows the students to complete the given assignments in enough time.

The college conducts assessment of the students in two different components - theory and practical, both marked for Continuous Evaluation and Sessional examination. These examinations are conducted in evenly spaced intervals, the time table for the same is circulated well in advance.

In-continuous assessment includes attendance, day-to-day performance in the laboratory, as well as assignments like Term paper, MCQ-Quiz, Open Book Test etc, are conducted. The assignments given to the students involve unaddressed program outcomes to attain knowledge beyond the syllabus.

All question papers are set based on the Outcome Based Education format using Bloom's taxonomy levels. They are mapped with their respective course outcomes that are stated at the beginning of the course.

Students and faculty members are made aware of the above process transparency and robustness to be maintained in the system of assessment in Induction program.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	https://mmcop.edu.in/wp-content/uploads/2024/12/2.5.1.pdf

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

At the college level, an examination committee, comprising of a College Examination Officer as convener and other teaching faculty as members, the student can approach the committee for redressal of the examination related grievance

At the beginning of the semester, Examination Committee inform the students about the various components in the assessment during the semester.

Time table and Seating plan is prepared well in advance and

communicated to the students by displayed on the notice board.

The corrected answer scripts at random are verified by HOD to ensure the standard evaluation process.

Evaluated answer scripts are shown to students to have an idea of their performance and clarification of doubts if any.

The marks for every internal assessment for the course are uploaded on the LMS that is available to all students, the internal assessment marks are finally entered in the mother register and the register is signed by the students.

Grievances related to examinations conducted by college:

- Eligibility for Appearing for Internal Examination.
- Eligibility for Appearing for Internal Reexamination.
- Evaluation of Answer Script.
- Revaluation of Non University Subject Examination.
- Malpractices during Examination.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Process for establishing the Cos, POs & PSOs:

In the process of defining the Cos, POs & PSOs the reference documents used are

- The syllabus copy of the Savitribai Phule Pune University, Pune
- The syllabus copy & Education Regulations Provided by PCI
- The NBA accreditation manual for Pharmacy Programmes.
- The Subject prerequisites, curricular gaps & Content beyond Syllabus for each subjects.

The steps involved in the process of defining the Cos are as follows

- Course outcomes were redefined if necessary to bridge the curricular gap and content beyond syllabus. While considering the redefining process latest updates or modification required by industry are also considered under curricular gap and content beyond.
- Programme Outcomes were enlisted in the NBA accreditation manual for Pharmacy UG Programmes.
- Programme specific outcomes of the core subjects groups were derived from the course outcomes of the individual subject/Department.

Thereby following this process COs are in alignment with the POs enlisted in the NBA accreditation manual for Pharmacy UG Programmes

Mechanism for Communication of the Cos & POs among Stakeholders is through College website, Academic ERP (VM Edulife.), Student's laboratory journals and the laboratory manuals, Institute Information brochure, Display at prominent places in college campus.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

College has established a process by which the programme outcomes are measured utilizing both the direct and indirect methods.

Purposes of calculating attainment are

- To review needs and expectations of stakeholders.
- To effectively implement curriculum.
- To review Students and Alumni achievements.
- To review future needs of profession through IQAC, CDC, GB
- To review on-going assessment and evaluation methods.

Direct assessment and evaluation methods:

- Internal & External Written Examination (Long short answer questions)
- Assignments (multiple choice questions, poster presentation)

and cognitive skill based assignments)

- Practical Examination (lab report, lab work)
- Project Work (literature review, research)

Indirect assessment and evaluation methods

- Programme feedback by students.
- Course end survey Institution feedback.
- Teacher's feedback by students.
- Employer's Feedback
- Alumni Feedback
- Senior Exit student survey
- Parent's Feedback etc.

While deciding attainment level, 80% weightage is given to direct assessment and 20% weightage to indirect assessment and final attainment of the program outcomes for respective course is calculated.

Measures to improve attainment level of POs Students are motivated for participation in activities like NPW, WHO scientific days, presentation in scientific conferences, competitions, NSS activities etc. College organizes various co-curricular competitions Entrepreneurship development programs, seminars of industry professionals. Upgradation in Add on and Value added courses.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Following the MOE's IIC mandate Marathwada Mitra Mandal's College of Pharmacy has acquired Institutional Innovation and Start-up Policy (IISP) aligning to NISP. The students and faculty are constantly being motivated and guided by eminent speakers for innovative thinking and idea generation. Research funding equal to 1% of total Institutional budget is reserved for innovation and research work. To provoke the innovative idea, students and faculty are visiting the start-ups, industries, hospitals and clinics to understand the healthcare problem statements. Motivational lectures from Industry and IPR experts and eminent personalities are being conducted on regular basis. Students and Faculty are encouraged to actively participate in national Hackathons (SIH and Yukti) and Avishkar like state level competitions. Our team 'Millet Spector' reached to Grand finale of SIH, Hardware edition. Prof. Avinash Tekade and Prof. Ravindra Badhe shortlisted for Finale of National level Yukti competition. Institute regularly organise annual 'Kalpana' Hackathon to motivate students for innovative thinking. Institute has

established 'Prayas' Pre-incubation centre and idea space in the institute to boost start-up ecosystem. These efforts lead to 12-prototype participation in SIH and 9 prototypes participation Avishkar competition. These efforts also lead to 15-awarded patents and 1 start-up (MedFasst) registration through the Institute.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Library is extensively stocked and systematically organized with 7609 titles and 13868 volumes. We have subscribed 27 national and international journals, along with 7 periodicals. Additionally, the library offers electronic resources including e-books (4696) and e-journals (853) from DELNET. We are having archives of 104 downloaded e-journals from Bentham and Science Direct, 98 CDs of books for the reference to students, research scholars, teaching and non-teaching staff. These resources are available to all stakeholders through online platform, OPAC. There are separate sections of library viz. OPAC desk, reprographic facility, circulation desk, stocking/reference area, librarian room, Book processing, multimedia facility, journals section, spacious reading hall and a separate section for digital library. All the books are segregated subject-wise and shelved in the suitable labeled cupboards.

INTEGRATED LIBRARY MANAHEMENT SYSTEM (ILMS)

Name of the ILMS Software:

Institute is having Autolib library management software (since 2009) and VM Edulife Pvt.Ltd. (since 2016), both are fully automated. The remote access to institutional e-resources through OPAC are <http://192.168.1.199/AutoLibWebOPAC/EResources.aspx> and <https://portal.vmedulife.com/public/auth/#/login/mmcop-kalewadi-pune>

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

- The college has integrated e-learning center which consists of computer and language laboratory with sufficient numbers of computers.
- All computers in the laboratory are connected with LAN. Computers in the college are installed with latest legal

software.

- Computer laboratory is equipped with latest N-Computing system with fast internet access for the student. Antivirus and Firewall software are installed and updated for network security. Language laboratory consists of multimedia computers. Language laboratory consist of latest digital language laboratory software
- Experimental software laboratory is established which contains various software such as Design-Expert, Mini-Tab, Graph Pad-In Stat, Kinetica and Ex Pharma.
- College has digital library facility for accessing e journals, e books.
- College has lecture capturing system.
- Audiovisual room is developed in the library for accessing audiovisual e -content.
- Central instrumentation facility consists of computers connected to various sophisticated equipment and has a 20KVA UPS.
- Classrooms are provided with LCD projector, Computers with multimedia facility and connected with Wi-Fi connectivity.
- College has purchased 14 core i5 computers, Sennheiser mike, Konftel web camera, LCD Projector, hospital and drug store management software, during this academic year.
- College has introduced interactive smart boards, digital signage boards during this year.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

College constituted central store & maintenance committee for utilizing and maintaining physical, academic and support facilities. Necessary budgetary provisions are made and central store maintains record for all activities.

Civil and building Maintenance

It includes all building blocks of academic and campus facilities. Major maintenance works are carried during vacation and minor works are carried whenever required.

Laboratories, Equipments and accessories

Lab, equipment in-charges are appointed to ensure all laboratories,

equipments are functioning well and teaching-learning process runs smoothly. Log books, standard operating procedures are maintained. Central store carries maintenance work after Principal and Management's approval.

Library

Library committee is responsible for library activities. Library staff undertakes maintenance work including stacks maintenance, binding of books and journals, stock verification.

Sports complex

Necessary sport goods are purchased by store department. The damaged, broken sports equipments and gymkhana facilities are repaired whenever required.

Computers

Committee for computer center is responsible for purchase, maintenance and periodic up-gradations of IT resources, computing equipments and network facilities. IT facilities are maintained by computer skilled personnel of the college.

Classrooms

Central store is responsible to look after classrooms. It ensures regular cleaning, repairing of benches, fans and electrical appliances. IT facilities are maintained by computer center.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students at our college are the driving force behind its vibrant academic, co-curricular, extracurricular, and extension activities. Dynamic and outspoken, they work hand-in-hand with teachers and

college representatives, embodying leadership and teamwork. To inspire others and ensure transparency, the names of these exemplary contributors are proudly showcased on the college website.

Selected for their dedication and performance, student representatives from diverse socio-cultural backgrounds play a key role in planning, organizing, executing, and reporting events. Their innovative ideas, refined under the guidance of teacher mentors, continually elevate the quality of activities, fostering a culture of creativity and excellence.

NSS volunteers serve as the backbone of numerous events, ensuring seamless logistics, discipline, and impactful execution. Their notable efforts in extension activities and social awareness campaigns highlight their commitment to community welfare and social responsibility.

The college's robust feedback mechanism, grievance cell, and mentoring system empower students to voice their perspectives, propose advancements, and shape the institution's future. This inclusive and collaborative approach not only hones their organizational and leadership skills but also enriches the overall campus environment, creating a thriving ecosystem for holistic development and meaningful impact.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

'Samanvay' Marathwada Mitra Mandal's College of Pharmacy Alumni Association established in year 2010 with objective to foster continuous engagement of students with their alma-mater.

It aims to draw their expert knowledge experience from various fields to enhance overall quality.

It is registered under Society Registration Act, 1860 vide registration No. MAH/517/2016. Currently, it has over 1300+ registered alumni members from D. Pharm., B. Pharm., M. Pharm & PhD courses. The association contributes significantly in the development of institute through

Training and career guidance: Alumni are actively involved in providing various training & career guidance sessions to students regarding higher studies and entrepreneurs skills .

Placement Assistance: Alumni share information of job vacancy positions and provide assistance in arranging various campus interviews.

Research: Alumni are always ahead in providing gift samples to PG research students and help to fetch industry projects.

Industry Linkage: The institute has signed MoU with pharmaceutical industries of alumni; which helps current students in visits and training.

Alumni Meet: Alumni Association organize 'Alumni Meet'

Feedback system: Regular feedback is taken from alumni for development of college and curriculum.

Perception: Alumni helps in improving the overall perception of their Alma matter

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The objective of Marathwada Mitra Mandal is 'Welfare of Masses'. The Marathwada Mitra Mandal's College of Pharmacy (MMCOP) follows same objective and works with a vision, "To be a premier pharmacy institute achieving excellence in teaching, value education, research and consultancy in core areas and be engaged in the service in promoting continued education". MMCOP offers quality education to diversified class of students and groom them to become trained professional to be a part of Pharmacy profession. This is achieved by following the mission statement 'To educate students from diverse backgrounds in the fundamental skills, knowledge through a curriculum designed by the university and to prepare them for pharmacy professional positions in service organizations, pharmaceutical industries, other healthcare fields and also to promote a spirit of innovation and entrepreneurship'. In order to conduct day to day work smoothly and to maintain focus on student centric vision and mission, the Principal formulated IQAC, CDC, GC

and other committees and portfolios with adequate representation of all stakeholders. The student centric activities are always a prime focus of the institute and committees related to these activities always has student member's participation assuring development of leadership qualities in theme right from their college days.

Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The parent organization, Marathwada Mitra Mandal, Pune extended guidance, support and administrative flexibility to the Head of Institute/Principal. All policy decisions are taken by management and committees such as GC, CDC and IQAC of which the principal is a Member Secretary. For smooth conduct of day to day work, various committees are formulated and many of the faculty, staff and students are members of these committees clearly showing the participative management of various stakeholders. The students are the member in almost all committees except examination and purchase. As a result of decentralization and participative management, college is able to achieve various milestones in short span of 18 years since its inception. Following are the milestones achieved - NAAC with A+ Grade; Recipient of Best College Award (Professional-Urban) by SPPU, Pune; Ranked in the band of 101-125 in NIRF ranking 2024, Ranked 96th in NIRF ranking 2023, Ranked 90th in NIRF Ranking 2022, Recognized in top 20 Pharmacy Colleges of India in 2023, AARIA certificate under the category "Colleges/Institutes (Private / Self-Financed) (Technical)" and MoE's Institutional Innovation Council (IIC) 2 star certificate.

The case study showing decentralization - Principal reporting to Management - 4 HODs for 4 departments reporting Principal - 3-6 faculties reporting each HOD - 2-3 staff reporting to faculties and HOD.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Marathwada Mitra Mandal's College of Pharmacy have prepared vision document for 5 years and accordingly developed plan to strengthen research by establishing strong collaboration, motivations and innovative thinking. Institute has already established and constantly seeking new collaborations with pharmaceutical industries and national/international institutes and signed MOUs with them. The experienced faculty is serving as consultants for projects from industry and academia. Faculty, PhD and Masters Students are doing interdepartmental as well as inter institutes collaborative work and aiming to publish high impact publications in peer reviewed journals. To motivate students to take up innovative interdisciplinary projects and problem based research, scientists and industry leaders are invited on regular basis to deliver expert talks and seminars. Many funding agencies were identified and inter institute projects were submitted to these agencies.

These efforts resulted in achievements like 14 total publications in calendar year 2024 out of which 08 are collaborative publications, Rs. 23.81 Lakh generated through consultancy projects and services from Industry and academia, 15 granted patents, Rs. 21.17 as research grant under AICTE RPS scheme, New Delhi in 2021-22 which is still going on and the Startup Grant of Rs. 3.0 lakh from AICTE New Delhi in 2024-25.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The management in consultation with Principal plan and execute various future initiatives keeping in view the Vision and Mission and the opportunities and challenges ahead. Principal and senior faculty prepares action plan keeping in view short and long-term goals of the institute and ensure its execution through HOD, IQAC/CDC, other committees, and faculty. Principal allocates portfolios to faculty members for smooth functioning of day-to-day activities. All administrative matters including compliances of various regulatory bodies, establishment, campus maintenance, student admissions, scholarship are handled by the Principal and office staff. Dean, SWD looks after Student activities; College Examination Officer (CEO) looks after examinations related work; Purchase committee looks after purchase of capital equipment and recurring expenditure; Dean, Training and placement looks after training and placement of the students; Dean, R and D, looks after R and D, publications, research activities, consultancies and funding. Similarly, Grievance Redressal committee provide a mechanism for Redressal of student/staff grievances, Women Grievance cell, Anti-ragging committee etc. have their functions assigned. All committees have their stakeholders from faculty, staff and students and work under the guidance of principal. All activities clearly spell out that the functioning of the institute exhibits decentralization and participative management.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

Utmost care of the teaching and nonteaching staff is been taken by MMCOP. We considering this college as one family does various measures for our employee's welfare.

The following welfare facilities were available for teaching and non-teaching staff

- Provident fund facility
- Gratuity facility
- Loan facility through Marathwada Mitra Mandal's Employees credit Co. Op. Society.
- Loan facility up to Rs. 80000/- (without interest) for medical Emergency, higher education of their wards through Marathwada Mitra Mandal's Employees Kalyan Nidhi.
- In-house medical and counselling facility (Medical Consultation).
- Group insurance facility.
- Financial Assistance & On duty leave to attend Seminars, Workshops, STTP, FDP. Etc.
- Maternity Benefit.
- Cooperative store facility.
- Consultancy benefit
- Canteen facility.
- Research freedom is been given to everyone for research of industrial interest.
- Financial Assistance for Patents and IPR filing.
- Parent organization also takes care of teaching and nonteaching staff in case of emergency.
- Organizations of programmes for financial safety, Emotional and Social wellbeing

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

An effective performance appraisal system guides faculty in improving their performance, enhancing their professional growth and contributing to institutional performance. There are separate appraisal form for faculty and non-teaching staff. Both forms are attached for reference. Annual performance will be done on different parameters viz. academic performance, research activities, research publications, patents, research projects and teacher feedback by students and by HOD/Principal. Other performance indicators which will be assessed are:

1. Class room planning and control
2. Laboratory performance
3. Student guidance and counselling
4. Assignment evaluation
5. Curriculum/Learning resources development
6. Seminar training

7.Co-curricular activity

8. Administrative functions.

Students of respective class gives feedback of concern subject teachers. Student also gives feedback for non-teaching staff. Students rated faculty on designated points scale.

HODs rate the faculty based on the annual performance. Appraisal of the Faculty/HOD is finalized by head of the institute after they have rated themselves. Faculty is also rated for soft-skills as follows: A-Very Good, B-Good, C-Fair, D-Average and E-Below average. Faculty in the categories of A, B and C were awarded with annual increment. Admin/supporting technical staff is appraised by each faculty, HOD and Principal.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college has a mechanism for internal (Twice in a Year) and external audit (Once in a year) through Accrual system. The college accounts are audited regularly by both Internal and statutory audits appointed by management. Qualified Internal Auditors from external resources (Mundhe Shaha & Co, Pune) have been appointed and a team of staff under them do a thorough check and verification of all vouchers of the transactions that are carried out in each financial year. Likewise an external audit (M/S Krishna Rawas and Associates, Pune) is also carried out on an elaborate way on yearly basis. All Utilization Certificates to various grant giving agencies are also countersigned by the CA. All observations/objections of internal and external auditor are examined by accountant and reports of the same are communicated to EC, GC, and CDC of the college. It is pointed out that no serious objection/irregularity is outstanding. No Draft Para has ever been issued against the College by Auditors. So far there have been no major findings / objections. Minor errors of omissions and commissions when pointed out by the audit team are immediately corrected / rectified and precautionary steps are taken

to avoid recurrence of such errors in future.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The College is a self-financing, private unaided institution and main source of income is through students' fees. The institution has taken necessary steps for resource mobilization. The tentative budget for each financial year is prepared, submitted and approved from the management. The utilized funds are audited by registered C.A.s (Chartered Accountants). Every financial transaction is recorded.

Source:

- Fees: Tuition and Development fees
- Research Grants: SPPU, AICTE, RGSTC etc.
- Infrastructural Grants: DST, AICTE
- QIP Grants: SPPU, DST, AICTE
- Projects/Consultancy/ Services: From industries, organizations and individuals.

Utilization:

- Salary: Teaching and Non-teaching, Stipend,
- Purchase: Laboratory consumables, equipment, Glassware
- Operating Expenses: Regulatory bodies Fess (AICTE, PCI, SPPU Affiliation, NBA, NAAC), Professional membership expenses, Legal charges, Websites expenses, Repair and maintenance, Land and Building tax, Security charges.
- Administrative Expenses: Auditors fees, Internet expenses, Printing and Postage Charges, Office, Telephone, Stationary, Refreshment, Travelling and Conveyance.
- Expenses in respect of students: Enrolment fees, Examination fees, Earn and Learn schemes, Major/Minor research project, Seminars, Guest lectures, Online test and Tutorials, Sports and cultural activities.
- Student and faculty innovation, start-up development and IPR protection
- Assets: Computers and hardware, Library books Scientific Journal and periodicals, Furniture and fixtures, Office equipment etc.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Academic Contribution with Extension and Outreach activity

IQAC Initiated the concept of enriched teaching learning experience for both faculty and a student in order to enhance learning experience by organizing various Teaching learning activities and thus promotes academic and holistic development of students.

Research Contribution

The college has received Rs. 3.71 Crore of Research, QIP and Other Grants and from consultancy, which resulted into publication of 374 research papers in peer reviewed National/International Journals, 194 research paper presentations in National/International Conferences, authored 14 books/chapters and awarded 15 Indian

patents by MMCOP.

Faculty Development

IQAC motivates faculty members to organize/attend various seminars, workshops, FDP, STTP in their area of specialization and disseminate the knowledge gained to students.

Promote Strengthening of Centre for Invention, Innovation and Incubation and of Industry Institute Connect:

Achievements:

- Ranked in NIRF India Ranking 2024 rank band (101 to125) (MHRD Govt. of India).
- Team 'Millet Spector' selected from 55K teams all over India at Grand Finale - Smart India Hackathon 2023 Hardware edition at MIT, Pune
- YUKTI 2.0, Two teams shortlisted for finale and One Sanctioned with Startup Funding of Rs. 3.0 Lakhs
- Start-up 'MedFassst' Registered and Pre-incubated at MMCOP.
- Increase in Sanction Intake for B. Pharm from 60 to 100

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Academic Aspects:

- Implementation of Total Quality Management concept.
- Promotion of advanced teaching techniques using augmented ICT tools, Interactive panels etc for better understanding in learning process.
- Student centric teaching learning practice with effective implementation of asynchronous mode of instructions using Academic ERP, support for competitive examinations and cocurricular activities and consistent efforts for their overall development.

- Quality of education is evaluated by conducting formative and summative assessment.
- In-semester and end semester examinations are the means for the performance evaluation of the students, whereas, student feedbacks is the means for college academic performance.

The academic development of students is reflected from excellent track record of success in University and other national level competitive examinations.

Training, Placement, CIII, IIC & ED Cell:

- Imbibing employability/entrepreneurship skills through AICTE sponsored Active Industry Institute Interaction and Entrepreneurship Development Cell which is constantly engaged in Career counselling, Training, Placement and Entrepreneurship awareness and development program.
- To promote training, placement and research activities, the college has functional MoU's with 26 nearby industries and research organizations.
- Add on/value added courses helps students for enhancing their employability skill.

Thus active Cell leads to impressive placement, entrepreneurship and consultancy projects/services record.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Through student organizations including the alumni association, NSS, cultural, and sports committees, MMCOP hosts a variety of activities in which both sexes have an equal opportunity to organize and participate. There are 85 CCTV cameras installed in strategic spots throughout the campus. College has 24 X 7 security guards including women guardin the campus. An online grievance portal is accessible via college website. Suggestion/complaint box, kept in library is opened after every 15 days in front of committee members and student representatives, and any complaints are addressed. Display boards regarding women's rights and "The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013" are hung in lady's faculty room, Girl's and boy's common room. During field trips, NSS camps, industrial visits and educational tours female faculty members accompany the students. Boys and girl Students receive prompt counselling from the appointed counsellor. We have implemented a mentor-mentee program. College appointed visiting medical officer to look after the health of students. College offers maternity leave services to faculty. Common rooms are well-ventilated and furnished with lounging places, beds, recliners, fans, full-length mirrors, adjacent bathrooms, indoor games, etc. Automatic sanitary napkins vending machine is available in Girl's Common room.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid waste management

Dust bins used to collect non-biodegradable waste and handed over regularly to municipality vehicle for proper disposal. Organic biodegradable waste is disposed by vermi composting.

Liquid Waste Management

Liquid waste is generated in the form of solvents, reaction mixtures. It is collected properly, diluted or neutralized and passed through concealed pipeline into soak pit and then discharged into drainage line.

Biomedical waste

Biomedical waste is generated in animal experimentation, bioassays,

biological cultures, sharp edges. Such waste is disposed as per CPCSEA guidelines. Waste is segregated and packed into color coded labelled bags; handed over to PASSCO Pvt. Ltd., Pune (appointed by Pimpri-Chinchwad Municipal Corporation) for proper disposal.

E-waste management

We are in contact with Maharashtra Pollution Control Board (MPCB) - authorized e-waste collection agency, SWaCH. E-waste is collected in box and handed over to SWaCH for safe recycling and disposal.

Hazardous chemicals and radioactive waste management

No radioactive waste is generated at college. Separate space is provided for storage of hazardous chemicals. Students are instructed to wear laboratory aprons, gloves, chemical splash goggles and to use laboratory hood for handling hazardous chemicals. Training is given to students, lab staff for storage, usage and disposal of hazardous chemicals.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The diverse backgrounds of students at our college reflect a rich mix of economic, social, and gender differences. The institution is committed to providing an inclusive, unbiased education, fostering a harmonious and well-structured learning environment for all. Special emphasis is placed on creating a healthy and balanced atmosphere that supports the holistic development of both male and female students. Ensuring a safe and secure environment for female students remains a top priority, with robust measures in place to uphold their well-being.

To promote awareness and inclusivity, various committees actively organize programs addressing key societal issues, fostering a culture of knowledge, tolerance, and understanding. The college is dedicated to ensuring fair academic conditions, reserving seats for economically disadvantaged students to guarantee equal access to education. Additionally, scholarships and initiatives like the "Earn and Learn" program offer financial and practical support to deserving students, enabling them to pursue their academic goals with dignity.

Year-round activities are thoughtfully designed to nurture tolerance, harmony, and mutual respect among students from diverse backgrounds. By integrating these principles into its core functioning, the college creates an equitable and empowering educational environment, preparing students to thrive in a multicultural and dynamic world.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The Constitution of India gives certain rights to its citizen and also laid down certain fundamental duties for the citizen of India in the spirit of growth of the nation and their citizens. The fundamental rights are the basic human rights of all citizens. They are enforceable by the courts, subject to specific restrictions. While enjoying the rights, the citizens have to abide to certain fundamental duties. The fundamental duties are defined as the moral obligations of all citizens to help promote a spirit of patriotism and to uphold the unity of India and concern the individuals and the nation. However, these fundamental duties are not enforceable by the law. Thus, in order to spread the awareness and to sensitize students towards the values, fundamental rights and their fundamental duties, the college observes various national festivals such as Republic Day, Independence Day, Kargil Vijay Din, and Constitution day in order to make the students aware about their fundamental rights, duties and to inculcate in them spirit of patriotism and sense of being responsible citizen of India.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Holistic development of the students is always a prime moto of the institute. Such holistic development imparts skills and qualities like leadership, socialism, communication, empathy, duties towards profession, society and nation, grooming self-confidence and hobbies etc. To achieve such holistic development students need to participate in different extra and co-curricular activities. Organizing and celebrating national and international commemorative events is one way that provides the platform to the students for holistic development.

Institute celebrates national and international commemorative days and festivals in a grand way. The student's council and the cultural committee comprising of students, discuss and plan for organizing these days and is communicated to the students through the academic calendar. National commemorative days include Kargil Vijay Din, Republic Day, Independence Day, Teacher's day, Constitution day, National Unity Day, etc. Whereas, international commemorative days include, World Mental Health Day, International Yoga day, World Alzheimer's Day, World Pharmacist Day , World AIDS Day, and World Cancer Day, World Kidney Day, World TB Day etc.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1- Enriched Teaching Learning (ETL) enrich the outcome-based teaching learning process in the institute. Following methods were followed (a) Student Centric Learning (SCL) /Enriched Teaching Learning (ETL) – students are encouraged to ask questions (b) Activity Based Learning (ABL): students carry out experiments and then asking them about why, how and what for of practical's (c) Project Based Learning (PBL): Short project is given to students in a group of 4 and asked them to solve it along with the explanation. (d) Technical Quiz: conducting quiz periodically; (e) Mentoring: academic issues are discussed and a proper guidance is provided to help students perform better; (f) Use of LMS: The use of G suite and Academic ERP help students equipped them to excel in examination.

Best Practice 2- Transparent and Participative Practice of Governance and Leadership - objective is to plan and monitor matters related to finance, administration and recruitment; to monitor performance of teaching, non-teaching staff; to initiate research and extension activities with budget allocation; to increase linkages with industries and institutions. College has a well-defined organizational structure describing roles and responsibilities of the employees. The management and principal exercise decentralization of powers through sharing of responsibilities at various levels.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Augmented Interaction with Outside World (For Research, Consultancy, Training Placement and Entrepreneurship):

The distinctive attribute of the college is augmented interaction with the outside world keeping in view the interest of the students who are the most important stakeholders. In order to give something more to them and make them industry ready from every aspect right from providing them training, soft skills, and industrial exposure, the college has put in all efforts to augment interaction with outside world. In order to achieve this, college has established active Industry Institute Partnership Cell (IIPC), Training and Career Guidance Cell, Placement Cell and Entrepreneurship Development Cell (EDC) and Institution's Innovation Council (IIC).

The Augmented Interaction can be seen as industrial and institutional collaborative MOUs leading to trainings, placements to students and consultancy to institute; collaborative publications; industrial internships, lectures and seminars by eminent industry and scientist speakers; motivation and opportunities (hackathons and research competitions) to students and faculty on innovative thinking and idea generation; funding for idea to prototype development; pre-incubation facility and research labs; financial support and guidance for start-up; financial support for patent filing etc. For higher education, institute provide guidance and motivation for GRE, TOEFL, IELTS, etc. For placements institute arrange training programs in soft skill development and campus interviews every year.

7.3.2 - Plan of action for the next academic year

- To be recognized as Scientific and Industrial Research Organization (SIRO) by Department of Science and Industrial Research, Government of India.
- To create state of the art and ultramodern facilities at the college.
- Systematic efforts to be taken to improve number of GPAT & Other Competitive Examination Qualifiers & to improve their All India Rank.
- To write and fetch the research grant from various funding agencies (min. Rs.10 Lakh)
- To generate funds through consultancy & services (Min. Rs. 15 lakhs through IIPC).
- To generate revenue through the licensing of the Awarded Patents.
- To publish papers in highly recognized & high impact journals.
- To increase number of Startups and Entrepreneurship development activities.
- To Improve Placement in leading Pharma. Industries (No wise / Package wise)
- To participate actively in co-curricular and extracurricular activities at State / National level.
- Administrative and supporting Staff will be sponsored for continual training in new technology and modern working methods.
- To improve Faculty Qualification.
- To organize State / National / International Seminar / Conference/ Workshops.
- To Participate in International Conferences, Symposia, Seminars.
